

FOUNTAINGATE CHRISTIAN ASSEMBLY
SERVICE SPECIALS SCOPE OF MINISTRY

Purpose: To ensure that all songs specials are carefully selected and presented in a manner that brings each worshiper closer to God.

A. TIME REQUIRED: Two hours week (on the week assigned) for a minimum of one year.

B. QUALIFICATIONS: One who is sensitive to details and understands the importance of flowing with the song leader and musicians in such a way that the praise and worship is enhanced.

C. SPECIFIC RESPONSIBILITIES:

1. Commune with the Lord.
2. Answer directly to the Service Specials Co-ordinator.
3. If singing a song, come prepared with the recorded song clearly identified. All sheet music should be given to musicians a few weeks prior to your singing so they can become familiar with the tune. A list will be given to confirm which day your special will take place. Practice time is required to ensure that the proper sound levels are set. All practices will take place immediately after the Music Ministry team completes their practice (approx. 9:45 Am).
4. All re-recorded music needs to be original CD's. It is against the law to copy CD's without prior approval of the music companies. Our CCLI number does NOT cover these duplications.
5. If more than one person is involved (i.e. sign language; choreography etc.), the sound/lighting technicians need to be informed of any special needs.
6. All song, poems, writings, etc. need to be uplifting and in accordance with our Statement of Faith.
7. No one will be asked to be involved in this area of ministry if their lifestyle proves contrary to God's Word - like any other ministry of the Church. All those involved must be approved by the Elders Committee.
8. Any poems, short stories etc. need to be read clearly and with emphasis to enhance its meaning. Sign language and mimes need to be done with a recording that is an original and also easily understood.
