With the inflation rate of 7.7 (the largest increase since 1983) families are facing difficulties making ends meet. Our church can help by providing our members with a food voucher from Frescho. This is a way of following the Biblical teaching of alms giving. This has always been the biblical way of "over and above sharing" by those who were blessed financially.

Simply note on your offering envelop in the "Other" section that you want it designated as "benevolent giving." Another private way of helping others in need can be done by passing on **gas cards** through Pastor Brad.
